

097

**Shot description:** - Smoke Antlered God flash edit

**WS:** Locked off shot of steam/breath/smoke at night

This needs to be a quick powerful edit with heavy sound design. Heat ripples in front of the frame.

**NB:** Its the first time we introduce the Antlered God. Maybe some sound design of spirit voices.

098

**Shot description:** - Antlered God from the shadows

**MS:** Locked off shot. Pitch black.

The Antlered God appears out of the pitch black for a second or so. Heat ripples in front of the frame.

This needs to be a quick powerful edit with heavy sound design.
